

## Abraham Lincoln Book Shop, Inc. Book List, July 2024

Our stock of antiquarian books is larger than we can feature on our website and given the one-of-a-kind nature of these books, we cannot maintain any comprehensive list of what we have to offer. That is one reason why we encourage you to visit the Book Shop. However, we also periodically publish book lists featuring selected titles that we feel are of value to collectors of Lincolniana, Civil War, Presidential and Americana books.

Harold E. Howard determined to publish a book about every Confederate regiment from Virginia as early as 1974. The first entry in the *Virginia Regimental Histories Series* came out in 1982. By 2004 the series was complete with a total of 135 books published on Virginia infantry, cavalry, artillery and miscellaneous units. This month's book list features a partial list of the series containing 24 titles. All books in the *Virginia Regimental History Series* are reliable and concise accounts featuring maps, illustrations and a unit roster. They are finely bound in grey cloth. Many are limited 1<sup>st</sup> editions, signed by the authors. All of the books we offer are in very good condition or better.

All books listed here are one-of-a-kind and subject to prior sale. Terms of sale, including shipping charges, are detailed at the end of this list or on our website – [www.ALincolnBookShop.com](http://www.ALincolnBookShop.com) - listed under the category called "Policies." Again, due to the large stock of out-of-print books we have, these books are not sold through our online sales system. If you wish to inquire about or order a title, please call us during business hours at (312) 944-3085, or contact us through our website. Our staff will be happy to discuss or more fully describe any book you see here.
